*WMS 50 will be waived if previous coursework in women and gender studies has been completed.
 ** Formal Coursework must be upper-division (i.e. the course number is 100+) or graduate level (200+).
 For example, WMS 50 does not count as formal coursework nor towards total units because it is lower division work (i.e. the course number is below 100). Additionally, research and group study coursework 198/298 do not count as formal coursework.
 *** Total must be over 18 units but should not exceed 24 units.
 Note: Although a course may be listed in the theoretical core, this is not a guarantee that you will get into the course as WMS 200A and 200B are particularly impacted.
