

## **Social and Ethnic Relations Minor**

The interdisciplinary minor in Social and Ethnic Relations explores the racial, ethnic, class and gender aspects of human relations in the modern world. Students study human societies and cultures from a multi-ethnic perspective and across established academic departmental lines. African American and African Studies, Asian American Studies, Native American Studies, and Women and Gender Studies jointly sponsor the minor.

### **Minor Program Requirements... 24 units**

Select one course from each of the following six groups to total 24 units. Courses applied towards the satisfaction of a major may also not be offered in satisfaction of the minor. No more than four units (one course) may be lower division.
